POSTING OF ADVISORY SIGN

This will confirm the requirement of the Committee of Adjustment for a sign to be posted by all applicants or authorized agents on each property under application.

A sign will be made available to you upon once the application has been processed and hearing time set. You are directed to post the sign in a prominent location that will enable the public to observe the sign. The location of each sign will depend on the lot and location of structures on it; however, the sign should be placed so as to be legible from the roadway in order that the public can see the sign and make note of the telephone number should they wish to make inquiries. In most cases, please post the sign on a stake as you would a real estate sign.

Each sign must be posted a minimum of ten (10) days prior to the scheduled hearing, until the day following the hearing. Please fill in the information below indicating your agreement to post the sign(s) as required. This form must be submitted with the application in order that it may be placed in the file as evidence that you have met with the Planning Act requirements. Failure to post the sign as required may result in a deferral of the application.
