Proposed Implementation of Updates to Ontario's Water Quantity Management Framework

Ministry/Department

Ontario Ministry of Environment, Conservation and Parks

Consultation Deadline

Friday, February 5, 2021

Summary

The MECP is seeking input on draft guidance to help manage water taking in areas where water quantity is a concern and where there are competing demands for water. The MECP is also proposing to revoke the interim guidance once updates to Ontario's water taking program are in place, aligned with the end of the bottled water moratorium on April 1, 2021.

Proposed Form of Input

Staff will prepare a submission for the Environmental Registry of Ontario.

Rationale

As a groundwater community, the City of Guelph has an interest in providing input on provincial policy that may affect local water quantity.
