NATURE AND EXTENT OF RELIEF APPLIED FOR (variances required):
- A variance to Section 4.13.4.3 to permit 1 parking space on private property instead of 2.
- A variance to Section 4.13.7.6 to have the parking space in the rear yard being 0m from the property line
- A variance to Section 4.13.7.2 ii) to have 2 driveways on the lot.

Why is it not possible to comply with the provision of the by-law? (your explanation)
To have two units we need two parking spaces. There is ample space at the back of the property off a public lane way, but as we are on a corner and there is a road set back.
The existing driveway is off Yorkshire on the city set back. We are proposing to keep this driveway and add another off the public lane on our property. See attached drawing of the parking spot locations
