**Re: Parkview Motel Site  
Application for Re-Zoning**

This letter is being written as a concerned Guelph resident. The application for Re-Zoning to provide supportive housing at the current Parkview Motel site has my full support. As a resident of the neighborhood and a senior citizen, to say I am dismayed with the opposition to this project would be an understatement. The homeless could be Fathers, Brothers, Uncles, Cousins or Friends and to deny any individual the right to acceptable housing is a travesty. There are many reasons why an individual becomes homeless and who are we to deny an individual the right to safe and secure housing?

The Parkview Motel has a storied history and i wouldn't be the first to say it is not all " sweetness and roses".

Please consider this letter support for the re-zoning application.

Yours sincerely
