We would like to register our support for this new development at 60 Ontario St. It would be exciting to have new life pumped into that unique corner and focal point of the neighbourhood. We live kitty corner from said property at 8 Oliver St and have so for 25 years. We are seeing more pedestrian and bicycle traffic than ever before partially as a result of the new condo developments a block away. We think these businesses would be very compatible and would add an appropriate flavour to the neighbourhood.

Sincerely,

Lynda Lehman
