Dear Councillor Bell,

I am writing to express my support for the proposal made by the property owner of 60 Ontario Street to turn the former Bradburn's Car Clinic into a complex with a barber shop, convenience store and coffee shop.

I live around the corner of Manitoba Street and would welcome this addition to our vibrant neighbourhood - especially a coffee shop.

I very much hope that you will vote in favour of this change of use when it comes to Council.

Sincerely,
Nan Hogg
66 Manitoba St.
