FORWARD THINKING..!!!

I typically don't take time to voice my opinion on articles that I read....

This morning I stumbled across an article in Guelph Today in regards to the property at 60 Ontario St.

I have always admired Guelph.

"FORWARD THINKING" is precisely what brought me to become a permanent resident of this city.

I want to take a moment to thank whoever is offering to repurpose this rundown building and give these long needed services to the community.

I want to thank Guelph in advance for its "FORWARD THINKING"

This zone change has my support 100%
