Why is it not possible to comply with the Zoning By-law?

Please describe the reasons why the variance(s) are needed * ?

The fence was built in August 2020 to replace an old fence in collaboration with two neighbours with whom the fence is shared: one beside us on Kathleen Street and one behind us on Tipperary Place. The fence was built in agreement with all parties and the complaint was filed after the construction of the fence was completed. The cost to alter/remove the fence would be significant so we need to request a minor variance because the fence height at the front of our porch should be only 2.6 feet to adhere to the zoning by-law. Note that the Kathleen Street neighbour's driveway was installed and expanded after the completion of the fence construction.
