

Attachment-2 Dolime Settlement Pathway Next Steps

Steps completed so far:

1. 2019 - Public Engagement in support of the Settlement Pathway
2. March 2020 - Council approved Settlement Pathway

We are here now:

3. July 2021 - Staff Report for Council approval to request a boundary adjustment and a Minister's Zoning Order

Next steps on the Dolime Pathway

4. August 2021 - A request will be made to the province if Council approves the July report
5. Province decides if the requests will be granted
6. If the Province agrees to the request, the lands will be included in the Municipal Comprehensive Review (MCR)
7. MCR will be submitted in July 2022
8. Developer will submit a Draft Plan/Secondary Plan and Plan of Subdivision – all public processes
