INDEPENDENT AUDITORS' REPORT

To the Shareholder of Downtown Guelph Business Association

Opinion

We have audited the financial statements of Downtown Guelph Business Association (the Entity), which comprise:

- the statement of financial position as at December 31, 2021
- the statement of operations and accumulated surplus for the year then ended
- the statement of change in net financial assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2021 and its results of operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "**Auditors' Responsibilities for the Audit of the Financial Statements**" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with Governance are responsible for overseeing the Entity's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

Page 3

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

DOWNTOWN GUELPH BUSINESS ASSOCIATION

Notes to Financial Statements

Year ended December 31, 2021

Nature of operations:

Downtown Guelph Business Association (the "Association") was created by the City of Guelph, to promote the downtown businesses to the public in order to allow the downtown area to thrive. The Association acts on behalf of its members, who are the various businesses that are located in the downtown area of Guelph.

1. Significant accounting policies:

These financial statements are prepared in accordance with local government accounting standards established by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada. The Association's significant accounting policies are as follows:

(a) Cash and cash equivalents:

Cash and cash equivalents include cash and short-term investments with maturities of three months or less from the date of acquisition.

(b) Tangible capital assets:

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Tangible capital assets received as contributions are recorded at their fair value at the date of receipt. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over the estimated useful lives as follows:

Asset	Rate
Furniture and fixtures	5 years
Computer equipment	3 years
Lights and fixtures	6 years

One half of the annual amortization is applied to assets purchased within the year.

(c) Gift certificates:

The Association issues gift certificates throughout the community, which are recorded as a liability until redeemed.

DOWNTOWN GUELPH BUSINESS ASSOCIATION

Notes to Financial Statements (continued)

Year ended December 31, 2021

1. Significant accounting policies (continued):

(d) Revenue recognition:

Revenues are reported on the accrual basis of accounting which recognizes revenues in the period in which the transactions or events occurred that gave rise to the revenues. Expenses are recognized as they are incurred and measurable as a result of a receipt of goods or services and the creation of a legal obligation to pay.

Where funding has been received in advance of expenses for a specific program, the amount has been recorded as deferred revenue and will be recognized as revenue in a future period when related expenses are incurred.

(e) Use of estimates:

The preparation of the financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reported periods. Significant estimates used within these financial statements include the liability for unclaimed gift certificates and the useful lives of tangible capital assets. Actual results could differ from those estimates and assumptions.

2. Tangible capital assets:

			2021	2020
	Cost	Accumulated amortization	Net book value	Net book value
Furniture and fixtures	\$ 84,494	\$ 46,301	\$ 38,193	\$ 28,357
Computer	10,877	9,820	1,057	2,814
Lights and fixtures	200,130	16,677	183,453	-
	<u>\$ 295,501</u>	<u>\$ 72,798</u>	<u>\$ 222,703</u>	<u>\$ 31,171</u>

During the year, the Association acquired lights and fixtures at a cost of \$200,130 (2020 – NIL) by means of a lease, transferring substantially all the benefits and risks to the entity.

DOWNTOWN GUELPH BUSINESS ASSOCIATION

Notes to Financial Statements (continued)

Year ended December 31, 2021

3. Commitments:

The Association is committed to payments for premises and certain office equipment, and other financial commitments over the next three years as follows:

2022	\$	25,000
2023		15,000
2024		15,000
	\$	55,000

4. Accumulated surplus:

	2021	2020
Accumulated surplus from operations	\$ 5,689	\$ 21,700
Investment in tangible capital assets	222,703	31,171
Internally restricted reserve fund	40,000	40,000
	\$ 268,392	\$ 92,871

The reserve fund is internally restricted by the Board of Directors for the purpose of funding future projects.

5. Special project contributions:

During the year, the Association made a cash contribution of \$20,000 (2020 – 20,000) to the Welcoming Streets Initiative.

6. Due from City of Guelph:

The Association was established as a board of management by the City of Guelph. The City is considered to be a related party.

DOWNTOWN GUELPH BUSINESS ASSOCIATION

Notes to Financial Statements (continued)

Year ended December 31, 2021

7. Related party transactions:

During the year, the Association in its normal course of operations had the following transactions with the City of Guelph:

	2021	2020
Revitalization Revenue	88,500	16,332
Events Revenue	6,723	-
Miscellaneous Revenue	-	191
	<u>\$ 95,223</u>	<u>\$ 16,523</u>

8. Implications to COVID-19:

On March 11, 2020, the World Health Organization declared the Coronavirus (COVID-19) outbreak a pandemic. This has resulted in significant financial, market and societal impacts in Canada and around the world.

During the year, the Association has experienced the following in relation to the pandemic:

- Reduction in self generated revenue (Special events, Co-op Grants and Sponsorships)
- Mandatory working from home environments for those able to do so

The ultimate duration and magnitude of the COVID-19 pandemic's impact on the Association operations and financial position is not known at this time. There remains uncertainty for the upcoming year regarding the aforementioned items. These impacts could include a decline in future cash flows, changes to the value of financial assets and liabilities and the use of accumulated surplus to sustain operations. An estimate of the financial effect of the pandemic on the Association is not practicable at this time.
