

Committee of Adjustment Notice of Public Hearing

An Application for Minor Variance has been filed with the Committee of Adjustment

Application Details

Location:

43 Everton Drive

Proposal:

The applicant is proposing to continue to use the subject property as a model home, and temporarily use the garage as sales office space and allow the legal parking space to be located in the driveway rather than inside the garage. The Committee previously granted approval in 2019 for the temporary parking location for a period of 3 years (file A-94/19), but this approval expires in December 2022.

By-Law Requirements:

The property is located in the Specialized Residential (R.1C-27) Zone. A variance from 4.13.2.1 of Zoning By-law (1995)-14864, as amended, is being requested.

The By-law requires that in a R.1 Zone, every required parking space shall be located a minimum distance of 6 metres from the street line and to the rear of the front wall of the main building.

Request:

The applicant is seeking relief from the By-Law requirements to permit the required parking space to be located 0.8 metres from the street line (within the driveway) and be located in front of the front wall of the dwelling.
