

Dear Ms. Nasswetter,

I am writing to you to express my concern regarding the proposed development at 140 Hadati Road. I am opposed to the development because of the increase in auto traffic and increase in demand for street parking that will come with the development. The area is already traffic congested and street parking availability is already an issue. Hadati and Leacock Ave also have issues with speeding currently that will likely increase with the new residential development. I live at [REDACTED]. My phone number is [REDACTED]. I appreciate your time.

Thanks,

Lorna Kelly
