## Report

Annually, the consolidated financial statements of the City of Guelph are required to be audited by an external auditor and the results of this audit are reported back to Council. It is the auditor's duty to communicate to Council the planned audit approach as well as any findings discovered throughout the audit. KPMG LLP is the external auditor for the term 2020 through 2024 as selected through a competitive procurement process and approved by Council in October 2020.

The audit fieldwork for 2022 will begin in December 2022 with interim testing and will finish in April 2023 with the final fieldwork. The results of the audit will be reported to Council by KPMG LLP in June 2023. Approval of the final consolidated financial statements by Council is also expected at the June 2023 Committee of the Whole meeting, at which point the financial statements will be made available to the public.

Please refer to Attachment-1 for the Audit Planning Report for the 2022 Consolidated Financial Statements which will be presented by Audit Partner, Matthew Betik, from KPMG LLP.
