# Setting the Table Community Fund

## You can build connection & wellbeing in your community!

We invite Guelph-Wellington community members to experiment with new ideas, create learning opportunities, and/or host events that help to build resilience.

Be creative with your ideas and think broadly about the relationship between wellbeing, resilience, and food.

Funds will be given out in January 2023.  
If you have any questions or comments,  
please email us at [nfw@wdgpublichealth.ca](mailto:nfw@wdgpublichealth.ca)

Submit this application to the front desk at 42  
Carden Street (10C Shared Space).

Money is available to support  
your idea, if you need it.  
Funds may pay for things like  
food, childcare, transportation,  
or space for a gathering.  
All Guelph-Wellington  
community members are  
eligible to apply.
