

Hello Trista,

I would like to provide comments for the minor variance application for 29-31 Paisley.

My name is Michelle Edwards and my partner is Julian Herbert.

Our address is ■ Paisley Rd, Guelph, ON, ■■■■■. (We are the landlords).

Application number A-1/23

We support the revised application: to permit 2 parking spaces for 5 residential units.

We appreciate that the revised minor variance sketch (amended January 19, 2023) shows two parking spaces which respect the right-of-way easement in favor of ■ Paisley.

I would also like to be notified of the decision for A-1/23.

Thank you!

Michelle Edwards and Julian Herbert
