On election day, voting was offered at 46 voting locations across the city with at least seven location per ward. How satisfied were you with the number of election day voting locations offered?

Optional question (61 response(s), 1 skipped)

Question type: Checkbox Question

In 2022, voters could vote remotely from home, by mail or in-person at voting locations. We'd like to know which methods our community is most likely to use to cast their vote in future elections.

Please rank the following voting methods in order from most likely to use to least likely to use if these methods were offered.

- In person at voting locations with a paper ballot – average rank 2.02
- Remotely with online voting – average rank 2.26
- In person at voting locations with a digital ballot on a tablet or laptop – average rank 3.08
- Remotely with vote by mail – average rank 3.34
- Remotely with telephone voting – average rank 3.92

Optional question (59 response(s), 3 skipped)
