Re: Minor Variance Application  
192 Arthur Street North  
Building Permit File #20 004228 00 RR

Dear Mr. da Silva,

I am submitting a minor variance application package on behalf of the owner of the above property to set up a Committee of Adjustment hearing. Last November we submitted for a minor variance application for a one storey addition, and now the owner is wanting to build a two storey addition to an existing semi-detached dwelling in an area that is zoned R1.B (Single Detached Residential).

Kind Regards,
