

Attachment 3- Official Plan Amendment No. 88 (OPA 88)

Format of the Amendment

This section of Amendment 88 for the Comprehensive Zoning Bylaw Review sets out additions and changes to the text and mapping in the Official Plan. Sections of the Official Plan that are proposed to be added or changed are referred to as "ITEMS" in the following description. Text that is proposed to be amended is illustrated by various font types (e.g. ~~struck-out~~ is to be deleted and **bold** text is to be added). Unchanged text represents existing Official Plan policy that is being carried forward that has been included for context and does not constitute part of Amendment 88. New sections that are proposed to be added to the Official Plan are shown in standard font type with titles appearing in bold. Italicized font indicates defined terms or the name of a provincial act or title of a document.

Implementation and Interpretation

The implementation of this amendment shall be in accordance with the provisions of the Planning Act. The further implementation and associated interpretation of this amendment shall be in accordance with the relevant text and mapping schedules of the existing Official Plan of the City of Guelph and applicable legislation.

Amendment 88 should be read in conjunction with the current Official Plan (February 2022 Consolidation) which is available on the City's website at guelph.ca, or at the Planning Services office located at 1 Carden Street on the 3rd Floor.

Details of the Proposed Amendment

ITEM 1: The purpose of 'ITEM 1' is to amend Section 9.3.2 to clarify how the density provision is applied with respect to multi-unit residential buildings in the Low Density Residential land use designation.

A new Policy 9.3.2.5 is hereby added as follows:

5. The *maximum net density* set out in Policy 9.3.2.3 does not apply to multiple unit residential buildings with three dwelling units or less.

ITEM 2: The purpose of 'ITEM 2' is to amend Section Policy 9.3.3 to clarify how the density provision is applied with respect to multi-unit residential buildings in the Low Density Greenfield Residential land use designation.

A new Policy 9.3.3.5 is hereby added as follows:

5. The *maximum net density* as set out in Policy 9.3.3.3 does not apply to multiple unit residential buildings with three dwelling units or less.

ITEM 3: The purpose of 'ITEM 3' is to amend Section 9.13.1 to add a site-specific policy that recognizes the existing building height and residential density and permits up to 100 units per hectare in the low density residential designation in East Guelph for the following properties: 11 Arthur Street North, 6 Delhi Street, 89 Emma Street, 109 Emma Street and 32-46 Regent Street. Minor changes to this section are also made to renumber and add properties alphabetically to the list of site-specific policies. Policies that are not being amended have not been included in the text below.

Section 9.13.1 is hereby amended as follows:

9.13.1 East Guelph

1. 11 Arthur Street North

In addition to the policies of the Low Density Residential designation, this plan recognizes the existing building height and residential density of this property, and despite policy 9.3.2.3, permits up to 100 units per hectare.
