

Good Afternoon,

My name is Delores Taylor and I live at 8 Simcoe St., Guelph. I would like to be removed from the Heritage Register which homes on my street were recently added to. My house has no historical features as it was totally ripped apart and redone prior to my purchasing it. I understand that I have to reply by Friday May 7th with my response to this situation.

Thanks,
Delores Taylor

Heritage Register, Regarding 6 Simcoe St

To whom it may concern.

At this present time, I do not want my home and property listed on the Heritage Register.

Thank you
