Guelph-Wellington Paramedic Services Stations

Station No. 0

- Elmira Road, Guelph
- Located in a commercial plaza / strip Mall

Station No. 2

- Fergus
- City owned building

Station No. 3

- Clair Road Emergency Services Centre, Guelph
- City owned building combined with Guelph Police Services and Guelph Fire Department
- Building includes Administration offices

Station No. 4

- Mount Forest
- Leased facility; poor overall location
- Facility is in okay condition with some deficiencies

Station No. 5

- Arthur Fire Hall
- Facility is located in Arthur fire hall, shared facilities with Fire and public can book the space. Issue with access to washroom facilities, bathroom, decontamination of paramedics and contamination of space

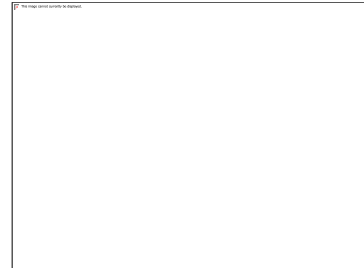

Station No. 6

- Harriston
- Leased facility and includes north supply warehouse location in the attic of the facility.

Station No. 7

- Drayton (Fire Hall/Old Public Works Building)
- Facility currently located in the fire hall, plans to move to the old public works building

Station No. 8

- Rockwood (Guelph Eramosa Fire Hall)
- Facility is located in Guelph Eramosa Fire hall, shared facilities with Fire and spaces will be rented out to the public which means paramedics don't have dedicated access to washroom or kitchen facilities, issue for contamination of public space and decontamination.

Station No. 10

- Hillsburgh Fire Hall
- Facility is located in Hillsburgh Fire Hall, shared facilities with Fire and public can book space in the fire hall. Issue with access to washroom facilities/bathroom, decontamination of paramedics and contamination of space.

Station No. 12

- Gordon Street, Guelph
- Facility recently renovated and generally meets the operational needs of department.
- Lack of parking on site
- Lease is up in 2030, need to determine long term plan for the site.
