

To the Committee of Adjustment,

We are the owners of Pomegranate Grove Massage and Wellness Centre here in Guelph.

We are very interested in the property at 265 Edinburgh Rd S. We have been informed by a representative of the unit that they are underway with an application for permission to change the existing legal non-conforming use and permit medical office, among other things.

We would like to offer our interest in the unit to encourage the zoning application to be approved.

Pomegranate Grove has been open for 4 years and we are deeply invested in the community of Guelph. Our business has strong values in being able to provide a space for mental and physical well-being, as well as giving back to the community.

We appreciate your time and consideration. We are very interested in this unit for the growth of our business.

Thank you for considering,

Warmly

Mairin Da Maren & Tanya Azzopardi
