## Variance(s) required under Zoning By-law (1995)-14864, as amended

The City of Guelph recently approved a new Zoning By-law. This means that applicants will need to apply under both the current, and previous Zoning By-law while the transition occurs. Please ensure you are applying for variances under both Zoning By-law (1995)-14864, as amended and Zoning By-law (2023)-20790, as amended.

# Why is it not possible to comply with the Zoning Bylaw?

Please describe the reasons why the variance(s) are needed \* 

The Proposed second floor addition of a new bedroom is to be located directly above and supported on an existing single storey rear addition to the house ( constructed c. 1975 ) and as such the (west) interior side yard setback of 1.05 m would be maintained for the new addition above; the required 1.5 m side yard setback cannot be achieved using the existing ground single storey floor structure. .
