The City of Guelph recently approved a new Zoning By-law. This means that applicants will need to apply under both the current, and previous Zoning By-law while the transition occurs. Please ensure you are applying for variances under both Zoning By-law (1995)-14864, as amended and Zoning By-law (2023)-20790, as amended.

## Why is it not possible to comply with the Zoning Bylaw?

Please describe the reasons why the variance(s) are needed \* 

Need the height inside for a car lift for his classic sports car. this is for personal use only.

We have reduced the height of the garage closest to where the neighbour was that objected to our earlier application (which was deferred) and also moved it further from the property line.
