Dear Committee of Adjustments,

I am writing this letter to express my support for the minor variance application submitted by Club Pilates, and to provide additional information regarding Karen Mayfield, the owner of Club Pilates, to further demonstrate her integrity, work ethic, and dedication to her clients. I am a Senior Principal at Geosyntec Consultants which has its Canadian Head Office at 130 Stone Rd West in Guelph. I am certain that many of our staff would be interested in the Club Pilates facility.

I have had the privilege of working with Karen Mayfield for over 25 years on previous projects, and I can attest to her exceptional professionalism, conscientiousness, and commitment to delivering high-quality services. Her leadership and strong work ethic have earned her a stellar reputation in the industry.

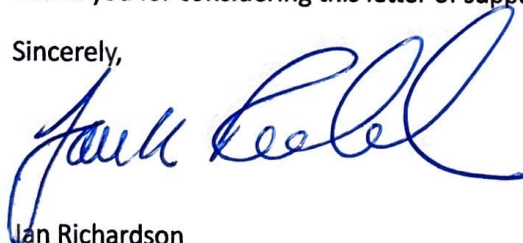

Karen Mayfield is an individual who genuinely cares about her clients and is deeply invested in their well-being. I have witnessed firsthand her unwavering dedication to providing the highest standard of care and support to each and every person. Her commitment to fostering an environment of integrity, respect, and inclusivity is evident in the positive experiences shared by her clients.

Given Karen Mayfield's outstanding character, commitment to her clients, and dedication to environmental responsibility, I am confident that Club Pilates will be a valuable addition to the Guelph community. The proposed development at 10 Samuel Drive aligns with the city's vision of promoting health and well-being among its residents.

In conclusion, I support the minor variance application to commercial school submitted by Club Pilates for the property at 10 Samuel Drive, Unit B, Guelph, Ontario. Granting this variance will not only contribute to the well-being of our community and employees but also align with the city's goals of fostering a healthy and active lifestyle. Should you require any additional information or have any questions, please do not hesitate to contact me.

Thank you for considering this letter of support.

Sincerely,
