Variance(s) required under Zoning By-law (1995)-14864, as amended

The City of Guelph recently approved a new Zoning By-law. This means that applicants will need to apply under both the current, and previous Zoning By-law while the transition occurs. Please ensure you are applying for variances under both Zoning By-law (1995)-14864, as amended and Zoning By-law (2023)-20790, as amended.

Why is it not possible to comply with the Zoning Bylaw?

Please describe the reasons why the variance(s) are needed * 

The existing house was built close to the minimum setback. If the by law was followed the sunroom would be too small to be practical.
