## Variance(s) required under Zoning By-law (1995)-14864, as amended

The City of Guelph recently approved a new Zoning By-law. This means that applicants will need to apply under both the current, and previous Zoning By-law while the transition occurs. Please ensure you are applying for variances under both Zoning By-law (1995)-14864, as amended and Zoning By-law (2023)-20790, as amended.

## Why is it not possible to comply with the Zoning Bylaw?

**Please describe the reasons why the variance(s) are needed \* **

The proposal is to sever the existing lot for the purpose of creating two single detached dwellings. Under the 2023 Zoning Bylaw (Older built up overlay, schedule B-1, additional regulations), the severance of the existing lot into two parcels with minimum 9m frontage is permitted. However the Lot Area for single detached dwellings requires 460m2 per lot and needs a variance.
