## Variance(s) required under Zoning By-law (1995)-14864, as amended

The City of Guelph recently approved a new Zoning By-law. This means that applicants will need to apply under both the current, and previous Zoning By-law while the transition occurs. Please ensure you are applying for variances under both Zoning By-law (1995)-14864, as amended and Zoning By-law (2023)-20790, as amended.

**Required \***

A real estate sales office is permitted on a construction site until such construction is completed or a final building inspection is conducted, whichever event occurs first.

---

## Why is it not possible to comply with the Zoning Bylaw?

---

**Please describe the reasons why the variance(s) are needed \* **

A minor variance is required to permit the sales centre to be located on the subject lands as they are adjacent to the 'construction site'. The variance is also required to permit the use in advance of issuance of a building permit and allow the sales centre remain in operation until construction is completed. See cover letter for details.
