

Intergovernmental Consultation

ERO 019-4706 - Technical Bulletin - Flooding Hazards: Data Survey and Mapping Specifications

Ministry/Department

Ministry of Natural Resources and Forestry

Consultation Deadline

Tuesday, September 5, 2023

Summary

As part of Protecting People and Property: Ontario's Flooding Strategy, the MNRF is updating existing technical guidance used to support the implementation of natural hazard policies. The existing technical guidance was created between 1996-2002, and does not reflect updates in science and technology since that time. The proposed technical bulletin contains updated provincial mapping standards aimed to increase clarity and consistency in flood mapping in Ontario.

Proposed Form of Input

Staff may prepare a letter for submission to the Environmental Registry of Ontario as part of this consultation process.

Rationale

The City of Guelph has an interest in providing input on technical guidance affecting natural hazard policy implementation.

Lead

Planning and Building Services, Engineering and Transportation Services
