

## OFF LEASE DOG PARKS

from marlene

Peter Misersky Park. Not even open 6 months and this is what it looks like!  
Not to mention the smell. Obvious signs of dog poop not picked up

Bristol Street Park. Beautiful Green grass. A place for children to play,  
Adults to walk and a lovely sports field.  
NOT FOR LONG! if the off-lease dog park is allowed to go ahead...

Just say NO to  
Bristol Street  
Dog Park
