

## ^ Outstanding items

Your application has outstanding items that are required.

### ^ Refusal items

Click the upload documents button below to upload any outstanding items noted in the following list. Once they have been uploaded, check the box(es) beside the outstanding item(s) that you are submitting, then click the confirm button below. Documents that are uploaded will appear in the Attachments section below.

Filter items  Showing 1 to 6 of 6 entries | Show  entries

#  	Reasons for refusal  	Date submitted  	Accepted  
1 <input type="checkbox"/>	The left side exterior wall is less than 1.2m from the property line. As per 9.10.15.5 (2b), the exterior wall must have a minimum 45min. FRR. Please revise cross section drawing.	Jul 24, 2023	Yes
2	Please indicate the amount of glazing in the proposed pedestrian door.	Jul 24, 2023	Yes
3	A heat source would be required for the bathroom. Please provide.	Jul 24, 2023	Yes
4	Plumbing review not yet complete. Please contact Thomas Barwell (thomas.barwell@guelph.ca) for further information.		
5 <input type="checkbox"/>	The EEDS form indicates the use of compliance package A2 from 3.1.1.2A, however the use of the electric heat pump would require values from Table 3.1.1.2.C. (electrical space heating). The insulation values for wall above grade and concrete slab on the EEDs and the drawings must also correspond to the correct compliance package. Please revise EEDS and drawings accordingly.	Jul 24, 2023	Yes
6	Zoning setback requirements have not been met. Please contact Bruce Aubrey, Zoning Inspector for additional information. (bruce.aubrey@guelph.ca or 519-837-5615 x2340)		

Once all items have been received / uploaded we will review them. Our goal is to complete this review within half the original legislated turn around time and advise further and/or issue the permit. A review of any of the uploaded items will not begin until all outstanding items have been received / uploaded.
