## Variance(s) required under Zoning By-law (1995)-14864, as amended

The City of Guelph recently approved a new Zoning By-law. This means that applicants will need to apply under both the current, and previous Zoning By-law while the transition occurs. Please ensure you are applying for variances under both Zoning By-law (1995)-14864, as amended and Zoning By-law (2023)-20790, as amended.

# Why is it not possible to comply with the Zoning Bylaw?

**Please describe the reasons why the variance(s) are needed \*** 

Our plan is convert an existing garage into an ARDU. The garage was built in 2011 and has proper footings and foundation. We do not think it is sustainable nor economical to knock down the existing garage to move it a few feet. All the work is being done to the interior. The exterior of the garage will remain as is.
