Ministry/Department

Ministry of the Environment, Conservation, and Parks

Consultation Deadline

Monday, October 30, 2023

Summary

The EASR is an online self-registration system that allows businesses engaging in certain routine environmental activities listed under *O.Reg 351/12* to register with the ministry rather than applying for an Environmental Compliance Approval through the normal review process. The Ministry is proposing to expand the eligibility criteria for self-registration with EASR to include waste management systems managing additional types of common hazardous wastes.

Proposed Form of Input

Staff may prepare a letter for submission to the Environmental Registry of Ontario as part of this consultation process.

Rationale
