Variance(s) required under Zoning By-law (1995)-14864, as amended

The City of Guelph recently approved a new Zoning By-law. This means that applicants will need to apply under both the current, and previous Zoning By-law while the transition occurs. Please ensure you are applying for variances under both Zoning By-law (1995)-14864, as amended and Zoning By-law (2023)-20790, as amended.

Why is it not possible to comply with the Zoning Bylaw?

Please describe the reasons why the variance(s) are needed * ?

Owners wish to make better use of the existing rear yard - year round - which is currently limited and challenging due to extreme grade changes through the depth of the property.
Existing bungalow has only 2 bedrooms and Owners wish to increase accommodation for out of town visitors.
Pool enclosure is desired to provide year round fitness facilities.
Intent is to design / refit old and new additions to best support aging in place strategy for Owners; while future consideration of accessory apartment or multi-generational family dwelling scenarios can be accommodated through judicious planning and foresight now.
