## Variance(s) required under Zoning By-law (1995)-14864, as amended

The City of Guelph recently approved a new Zoning By-law. This means that applicants will need to apply under both the current, and previous Zoning By-law while the transition occurs. Please ensure you are applying for variances under both Zoning By-law (1995)-14864, as amended and Zoning By-law (2023)-20790, as amended.

No

---

Why is it not possible to comply with the Zoning Bylaw?

---

**Please describe the reasons why the variance(s) are needed \* ?**

The existing structure at the back does not comply with the current Zoning By-Law, specifically the side setback requirement of 1.5m. This is an existing condition that cannot be changed and is required to be legalized, hence this application.

For further information, please refer to the architect's letter included in the current submission.
