

Provincial and Federal Consultation Alert

Connecting the Southwest: A draft transportation plan for southwestern Ontario

Ministry

Ontario Ministry of Transportation

Consultation Deadline

March 17, 2020

Summary

The Ministry of Transportation has published a draft transportation plan for southwestern Ontario and invited municipalities, businesses, and the general public to provide feedback. This is the first of a number of regional plans.

Proposed Form of Input

That the City complete an online [survey](#) and send a letter to the Minister of Transportation.

Rationale

Though Guelph falls just outside the boundary of southwestern Ontario as identified in the plan, the plan makes two mentions of Guelph and covers topics such as GO train passenger service, the new Highway 7 between Guelph and Kitchener, and public transit. The City should also comment when the regional plan for the Greater Golden Horseshoe is released.

Lead

Engineering and Transportation Services with input from Guelph Transit
