Hello City of Guelph Clerk's Office,

I am writing to express my support for the motion going to city hall on November 28th to declare Intimate Partner Violence an epidemic in Guelph.

I am an undergraduate student at the University of Guelph studying Criminal Justice and Public Policy. At the university, I work as a Sexual Assault Free Environment (SAFE) Peer Helper in the Sexual and Gender-Based Violence Support and Education Office.

Intimate Partner Violence (IPV) is a serious issue. The effects of IPV are felt across our campus and community. Declaring Intimate Partner Violence an epidemic in Guelph will encourage greater awareness of the severity of the issue. We must work together to make our campus and our community safer for all students and residents.

Thank you,
Myah Robinson
