Variance(s) required under Zoning By-law (1995)-14864, as amended

The City of Guelph recently approved a new Zoning By-law. This means that applicants will need to apply under both the current, and previous Zoning By-law while the transition occurs. Please ensure you are applying for variances under both Zoning By-law (1995)-14864, as amended and Zoning By-law (2023)-20790, as amended.

Why is it not possible to comply with the Zoning Bylaw?

Please describe the reasons why the variance(s) are needed * 

There is an existing detached garage at the back of the lot, it is 0.15m from the rear property line. We want to remove this garage and add it to the house as part of our addition, which will put the attached garage at 7.28m from the rear property line and we require 10m as part of the zoning bylaw for D.2.
