NATURE AND EXTENT OF RELIEF APPLIED FOR (variances required):

Side yard relief to allow for a double car garage.

Need a Variance (table 5.1.2 Row 7)
to permit a right side setback of 0.67m
in lieu of 1.5m required for the proposed
garage.

Why is it not possible to comply with the provision of the by-law? (your explanation)

Our family needs require the use of a 2 car garage for functionality purposes to protect our vehicles from weather. Our young daughter will soon have a drivers license & will be using a vehicle in the future. We wanted to maximize the efficiency of our renovated home. The 2 car garage also allows for a reasonable functional mudroom in the back to accommodate our children & family. My neighbors are all in support of our project as I have personally presented the proposals to them. They are excited about the addition to our street that our new beautiful home will add. Thank you
