Re: A-5/24 - 23-25 Gordon Street, Guelph

Metrolinx is in receipt of the minor variance application for 23-25 Gordon St to facilitate the construction of a new third-storey addition, to accommodate upto an additional 75 beds, for the existing emergency shelter building as well as to facilitate reduced parking. Metrolinx's comments on the subject application are noted below:

- The subject property is located within 300m of the Metrolinx Guelph Subdivision which carries Metrolinx's Kitchener GO Train service.

Conditions of Approval:

- As per section 3.9 of the Federation of Canadian Municipalities and Railway Association of Canada's Guidelines for New Development in Proximity to Railway Operations, the Owner shall grant Metrolinx an environmental easement for operational emissions. The environmental easement provides clear notification to those who may acquire an interest in the subject property and reduces the potential for future land use conflicts. The environmental easement shall be registered on title of the subject property. A copy of the form of easement is included for the Owner's information. The applicant may contact Farah.Faroque@metrolinx.com with questions and to initiate the registration process. (It should be noted that the registration process can take up to 6 weeks).

Should you have any questions or concerns, please do not hesitate to contact me.
