

**By-Law Number (2024) – 20859**

**Schedule “A”**

**Emergency Management Program and Emergency  
Management Program Committee**

**Emergency Management Program**

1. The objectives of the Emergency Management Program are to protect public safety, public health, the environment, critical infrastructure and property, and to promote economic stability and a disaster-resilient community.
2. The City’s Emergency Management Program is consistent with the Act and international best practices, including the five components of emergency management, namely: prevention, mitigation, preparedness response, and recovery. The Emergency Management Program consists of:
  - a. An emergency plan,
  - b. Training programs and exercises for employees of the City and other persons with respect to the provision of necessary services and the procedures to be followed in emergency response and recovery activities,
  - c. Public education on risks to public safety and on public preparedness for emergencies, and
  - d. Any other elements required by the standards for emergency management as set out in the Act or by Emergency Management Ontario.

**Emergency Management Program Committee**

3. The persons holding the following positions in the City or in each such person’s absence that person’s designate shall be the members of the City’s Emergency Management Program Committee:
  - a. Deputy Chief Administrative Officer, Public Services (“DCAO PS”),
  - b. General Manager of Operations,
  - c. Manager – Corporate and Community Safety, and
  - d. Community Emergency and Management Coordinator.
4. The DCAO PS is appointed as the chair of the Emergency Management Program Committee.
5. The Emergency Management Program Committee shall advise City Council on the development and implementation of the Emergency Management

Program, conduct an annual review of the Emergency Management Program, and make recommendations to City Council for its' revision, if necessary.
