

My name is Raymond SARTOR

I would ask council to please pass the new Bylaw pertaining to encampments.

It is important for all citizens to be safe and comfortable.

It is important that this bylaw be balanced for which I believe it to be .

All elements of this proposed bylaw seem to be fair .

I support councils passing of the bylaw set for vote on Feb 14 2024

Thank you

Raymond SARTOR
