

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. These shapes are primarily located on the left and right sides of the slide, framing the central text. The central area is white, providing a high-contrast background for the text.

Mar 18, 2023 7:00 AM

The election for the University of Guelph's Central Student Association has been cancelled after being 'ascertainably compromised.'

The online election was scheduled to wrap up on March 15, but instead, an in-person re-election has been announced.

## **NDP leadership vote marred by online attacks, low turnout**

New Democrats face repeated attacks on last day of race to replace Jack Layton

Laura Payton · CBC News ·

Posted: Mar 24, 2012 12:21 PM EDT | Last Updated: March 24, 2012

Attacks on the online voting system used to select the new leader of the NDP slowed the process down by several hours Saturday, frustrating members and forcing the party to go well past the deadline they'd hoped to meet.

## Cyber attack to blame for Grade 10 literacy test chaos

Toronto police alerted after online exam shut down amid “intentional, malicious and sustained” cyber attack.

# Residents Advised of Fake Online Voting Websites

🕒 Oct 22, 2014

The City of Greater Sudbury is advising residents that fake websites, similar to the Official Vote 2014 website, may be posted online. The security of the City's Official Vote website has not been compromised.

We have turned the matter over to Greater Sudbury Police and continue to work with Scytl to ensure the security and integrity of the online voting process.

Residents are reminded the Official Vote 2014 website is <https://GreaterSudburyVotes.ca>.
