We request City Council to honour, preserve and maintain the current zoning as Low Density Greenfield Residential. We do not support the proposal to change the zoning to High Density Residential for the following reasons:
1) Environmental Impact to Trees, Wildlife/Habitat & Water (Swollen Wetlands & Torrence Creek)
2) Limited access to enrollment in neighborhood schools and services/daycare
3) Reduced access to outdoor/indoor recreation spaces and parks
4) Increased Traffic and noise on Victoria St, Gordon St, Arkell St and Hwy 34
5) Insufficient parking for residents and guests currently and in the future
6) Lack of public transit
