## **Purpose of Report**

This report is to inform Heritage Guelph that on Friday, November 1, 2024 a draft of the Ontario Reformatory Heritage Conservation District Plan and Guidelines will have been released for review and comment by Council, Heritage Guelph and the public.

The November 13, 2024 Council Planning meeting is the statutory public meeting in the heritage conservation district designation process required under Part V the Ontario Heritage Act. At that meeting, Council will hear public delegations on the draft Ontario Reformatory Heritage Conservation District Plan and Guidelines, ask questions for clarification and identify issues. The draft OR HCD Plan and Guidelines is to be received, and no decisions are to be made at that time.

At the December 2, 2024 meeting of Heritage Guelph, Heritage Planning staff will provide the committee with a summary of the key components of the draft Ontario Reformatory HCD Plan and Guidelines and gather any comments that the members may wish to contribute before the final OR HCD Plan and Guidelines is brought back to Council for consideration.
