

To those that it matters,

I would like to very briefly and clearly show my unwavering support of the motions proposed by Councillor Allt and Councillor Caton that are to be discussed on Dec. 11, 2024.

I want to see direct action taken to better the lives of the most vulnerable people in our community, and in recent weeks I have seen the city, their security, bylaw and police spend money doing the opposite of that.

Please make better choices going forward.
