

2024-25

Play Equipment Lifecycle Project

[Colonial Drive, Holland Crescent and Highview Parks]

- There have been two rounds of community engagement, this meeting concludes our second round.
- Two design options have been prepared for each of the parks for engagement and discussion.
- Several accessible and inclusive improvements to the play equipment and play spaces have been designed.
- Recommendations received from residents, stakeholders and the AAC, along with guidance from the Creating Inclusive Playgrounds Playbook, will inform the final design for the project.
- Construction of these projects to be completed in Spring/Summer 2025.

Recommended motion(s):

1. That the AAC receive the information provided regarding the 2024-25 Play Equipment Lifecycle Project.
2. That the AAC recommend the following be included for consideration:
