

## Attachment-2 December 2024 Advocacy Issues and Outcomes Snapshot

The following list represents a snapshot of the key issues that are the focus of the City’s advocacy as of December 2024, organized by Future Guelph Strategic Plan themes, and Future in Focus advocacy directions. The categorization and prioritization of issues, as well as the identification of advocacy outcomes throughout this list was conducted in accordance with the principles and procedures set out in the Future in Focus Advocacy Plan. This list is dynamic, and will continue to be updated internally as advocacy efforts are actioned and as new issues arise.

### Foundations

*Table 1: Future in Focus Advocacy Direction - Supporting Guelph’s Fiscal Sustainability*

<b>Advocacy Issue</b>	<b>Advocacy Outcome</b>	<b>Priority Level</b>
Infrastructure Renewal Funding	Dedicated, allocation-based funding towards the renewal and replacement of aging municipal infrastructure	<b>A</b>
New Municipal Funding Framework	A formal review of the division of roles and responsibilities between municipal, regional, provincial and federal governments, and the creation of income-based revenue tools for municipalities that align with the level of responsibility	<b>A</b>
Local Share (Municipal contribution to Hospitals)	The elimination of the municipal share of the capital costs of new hospital construction, or the introduction of an alternative municipal hospital construction funding source that is not the municipal property tax base	<b>B</b>
MPAC Assessment Process	Provincial commitment to a Property Assessment Update before 2026	<b>B</b>
Heads in Beds Levy Increase	The Heads & Beds levy payable to municipalities is increased to \$170 per head/bed, and indexed to inflation going forward	<b>C</b>

<b>Advocacy Issue</b>	<b>Advocacy Outcome</b>	<b>Priority Level</b>
