

Hello,

I am writing to express my support for the following motion, to be presented on May 11th City Council Meeting.

Motion: That staff be directed to prioritize work to close traffic lanes during the COVID-19 public health emergency to support social distancing by creating special separated active transportation routes in strategic locations with funding of up to \$50,000 reallocated from capital project New Sidewalk Construction (RD0283).

Please let me know, should you need any other information from me.

Best regards,

Frederique Arroyas
