

I live at ■ Woodlawn East. Woodlawn Rd is a raceway all the way to Victoria Rd. You never see police with radar. Drivers race to beat the merge from 2 lanes into one lane approximately at Riverside Glen. I watch this daily. Where did these people get their License? Are we in such a hurry to get home and risk our lives? Speedvale to Woodlawn never radar, especially after work hours is a speedway. We need cameras permanently at both locations.
