RE: Adjacent Development Review: A-29/25
93-97 Surrey Street East, Guelph, ON
Minor Variance

Dear Committee of Adjustment,

Metrolinx is in receipt of the Minor Variance application for 93-97 Surrey Street East, Guelph, to permit altered setbacks, building heights, floor space index, and parking requirements for the purposes of demolishing the existing building on site and constructing a new 3 storey residential apartment building. Metrolinx's conditions of approval and advisory comments on the subject application are noted below:

- The subject property is located within 300m of the Metrolinx Guelph Subdivision which carries Metrolinx's Kitchener GO Train service.

GO/HEAVY-RAIL - CONDITIONS OF APPROVAL

- As per section 3.9 of the Federation of Canadian Municipalities and Railway Association of Canada's Guidelines for New Development in Proximity to Railway Operations, the Owner shall grant Metrolinx an environmental easement for operational emissions. The environmental easement provides clear notification to those who may acquire an interest in the subject property and reduces the potential for future land use conflicts. The environmental easement shall be registered on title of the subject property. A copy of the form of easement is included for the Owner's information. The applicant may contact [REDACTED] with questions and to initiate the registration process. (It should be noted that the registration process can take up to 6 weeks).
- The Proponent shall provide confirmation to Metrolinx, that the following warning clause has been inserted into all Development Agreements, Offers to Purchase, and Agreements of Purchase and Sale or Lease of each unit:
Warning: The Applicant is advised that the subject land is located within Metrolinx's 300 metres railway corridor zone of influence and as such is advised that Metrolinx and its assigns and successors in interest has or have a right-of-way within 300 metres from the subject land. The Applicant is further advised that there may be alterations to or expansions of the rail or other transit facilities on such right-of-way in the future including the possibility that Metrolinx or any railway entering into an agreement with Metrolinx to use the right-of-way or their assigns or successors as aforesaid may expand or alter their operations, which expansion or alteration may affect the environment of the occupants in the vicinity, notwithstanding the inclusion of any noise and vibration attenuating measures in the design of the development and individual lots, blocks or units.

Should you have any questions or concerns, please contact [REDACTED]

Best Regards,

Jenna Auger

Form of Easement

WHEREAS the Transferor is the owner of those lands legally described in the Properties section of the Transfer Easement to which this Schedule is attached (the "**Easement Lands**");

IN CONSIDERATION OF the sum of TWO DOLLARS (\$2.00) and such other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Transferor, the Transferor transfers to the Transferee, and its successors and assigns, a permanent and perpetual non-exclusive easement or right and interest in the nature of a permanent and perpetual non-exclusive easement over, under, along and upon the whole of the Easement Lands and every part thereof for the purposes of discharging, emitting, releasing or venting thereon or otherwise affecting the Easement Lands at any time during the day or night with noise, vibration and other sounds and emissions of every nature and kind whatsoever, including fumes, odours, dust, smoke, gaseous and particulate matter, electromagnetic interference and stray current but excluding spills, arising from or out of, or in connection with, any and all present and future railway or other transit facilities and operations upon the lands of the Transferee and including, without limitation, all such facilities and operations presently existing and all future renovations, additions, expansions and other changes to such facilities and all future expansions, extensions, increases, enlargement and other changes to such operations (herein collectively called the "**Operational Emissions**").

THIS Easement and all rights and obligations arising from same shall extend to, be binding upon and enure to the benefit of the parties hereto and their respective officers, directors, shareholders, agents, employees, servants, tenants, sub-tenants, customers, licensees and other operators, occupants and invitees and each of its or their respective heirs, executors, legal personal representatives, successors and assigns. The covenants and obligations of each party hereto, if more than one person, shall be joint and several.

Easement in gross.
